

THE GOVERNOR GENERAL · LA GOUVERNEURE GÉNÉRALE

April 8, 2020

His Excellency Milo Đukanović
President of Montenegro

Excellency,

On behalf of all Canadians, I would like to offer words of encouragement to the people of Montenegro as they confront the many challenges caused by the COVID-19 pandemic. The human toll worldwide has been unimaginable already, with a profound impact on families and businesses, on our economies and society.

But there is hope. Canada has been encouraged by the worldwide commitment to face this adversity head-on by limiting the spread of the virus and helping to find a cure. This is a complex and unprecedented situation, but I have every confidence that science will provide solutions and that, together, we will overcome this invisible adversary.

One cannot choose when hardship comes, but one can choose how to respond to it in times of crisis.

Yours sincerely,

with regards
Julie Payette
